PLONK CAMDEN MARKET

THE COURSE

This nine hole course is one of our newest creations, built in November 2020.

This UV wonderland will challenge even the best mini golfer. With signature Plonk holes, ball balancing games, loops, jumps, puzzles and ramps, it'll be sure to get you thinking before you pick up that putter!

Disabled Access but some holes cannot be played from a wheelchair

9
HOLES

THE MARKET

What else can we say about Camden market that everyone doesn't know already!

Large portions of the market have been overhauled and updated over the last couple of years, including the addition of many more food and drink vendors, private seating areas and bookable spaces.

The new Hawley Wharf Estate is also opening in 2021 with additional activities and food and drinks operators.
