KITCHEN

We have a range of food offerings to suit your budget and food requirements.

For smaller group bookings we can arrange hotdogs / club sandwiches and snacks for the group.

For larger private hire settings we can offer our amazing range of premium canapés, sharer boards as, charcuterie and mini desert selection platters.

We also offer a range of amazing Gelatos, served in either tubs or cones.

PICNICS

As our London Fields venue is perfectly situated on the edge of Hackney's best park, we are able to offer our great picnic service for bigger groups.

We can prepare your choices from our menu and have it brought out to your party in the park.

Our staff will clean up and make sure to keep your team watered and fed all day,

We do not have an alcohol license for takeaway, so you'll have to bring the booze - but we can arrange everything else, from ice, to drinks jugs and of course the use of our facilities for your guests.

Your guests will be able to come in, enjoy a round of golf and cocktails and then rejoin the group.
